Discover the Wilderness Safari Lodges - Namibia

The Wilderness Safari Lodges, Camps and Trails of Botswana

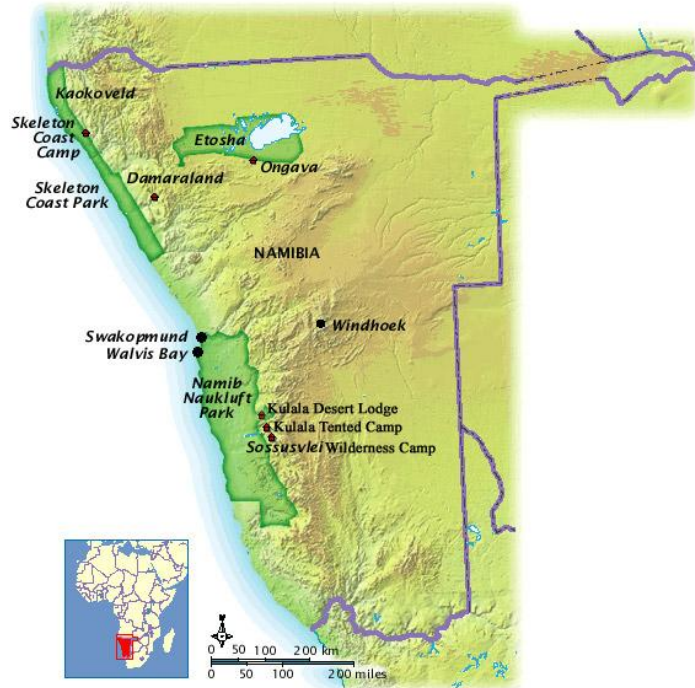

Introduction

Over **20 years ago** Wilderness Safaris **identified the very top Southern African Game Parks and Reserves in the different countries** where they wanted to operate safari camps. Today they manage and/or market **38 prime camps in 20 leading reserves in seven countries**. Each lodge ,camp and trail is located in the very best possible wildlife or wilderness location.

Eight of these safari destinations can be **found in Namibia**. From the map below, you will notice that these destination have been selectively spread over the length and breadth of the country to offer the tourist the best possible diversity of landscape, wildlife and experience – when visiting Namibia.
