Learn-Protect-Save

**Coming soon!**

**Exploring  
Kruger**

## About this course

**Exploring Kruger is the perfect course for safari enthusiasts, aspiring guides, nature lovers, and conservation supporters. This course takes you into the heart of Kruger!** You will learn about the park's wildlife, including the Big 5, lesser-known species, and predators while gaining insight into how Kruger is managed, protected, and experienced.

We cover conservation challenges, ecotourism, cultural history, park highlights, and sustainable travel practices. No prior knowledge is needed, just curiosity and a passion for wild places. By the end, you'll have a deeper understanding of Kruger's biodiversity, its role in conservation, and what makes it one of the world's most celebrated game reserves.

### Price

**R 950** (please see our monthly payment plans)

**Payment  
plans**

### Course type

**WildlifeCampus courses are online courses.** You can download the content in **PDF format**, so you do not need to be online to study (you will need to be online to take the tests, though).

There is **one test for each component** of a course. Tests are **multiple choice** and **not written tests**. Students may attempt these tests as often as required until they have passed.

**Once a test is passed, it cannot be taken again.**

### Duration

**Average 0-3 weeks.** There are no deadlines; you may complete courses at your own pace.

### Certification

Upon completing the course, you will receive an **industry-recognised digital certificate** demonstrating your commitment to upskilling yourself.
